The Association for Institutional Thought

## CALL FOR PAPERS

The annual meeting off the Association for Institutional Thought and the Western Social Science Association will be held in Denver, Colorado, April 22-25, 1992.

Paper proposals in any area of institutional inquiry are invited. The association encourages submissions from students and offers a student paper award of \$500 to the winning submission.

As in recent years conference preregistration is required. Last year the executive board of the WSSA voted to prohibit participation for one year of those program participants who failed to show up for the 1991 meetings. This has not been a problem for AFIT sections, but you should be aware of this new policy.

Please submit your proposals for papers or panels to:

William Waller  
AFIT Program Coordinator  
Department of Economics  
Hobart and William Smith Colleges  
Geneva, NY 14456

Please include your name, affiliation, address, phone number, paper or session title, and a one page abstract or proposal. The deadline for submissions is December 1, 1991.

If you are willing to serve as a discussant or moderator, please inform me by December 1st.
